Quickstart

Installation • Windows

1. Insert the CD into the CD drive of your computer.
2. The CD should autorun (start automatically). Follow the on screen prompts to install the software.
3. If the CD does not autorun, click on the "START" button, then click "RUN", then click "BROWSE", then navigate to your CD drive where the Aussie Spell Force CD is located. Find the Installer or Setup file and click on it, then click "OPEN", then click "OK".

This will start the Installation process. Once the it starts, just follow the on-screen instructions to install the program.

4. If you do a "Full Install" of the program you will not need the CD in the CD drive to use the program. A "Partial Install" will NOT install sounds on your hard drive and you will need the CD in the CD drive to hear the sound when you use the program.
5. Start the program from the Desktop icon or the:
Start menu >programs->Aussie Spell Force.
